

Oliver Hazard Perry Plank Owner Program

Naval tradition defines a Plank Owner is an individual who is a member of the crew when a ship is being built and commissioned. In 2009 and 2010, TSRI seeks 180 Plank Owners at four distinct levels of participation to help build the largest active sail training tall ship in the US operated by a nonprofit organization.

Full subscription in the *Oliver Hazard Perry* Plank Owner Program will secure \$500,000 in philanthropic and in-kind support needed (combined with a \$1.5 million credit facility and a \$2.1 million Shipbuilding Syndicate) to complete construction and commission the most advanced sail training ship in the US for the benefit of our next generation of young people, mariners and marine tradesmen and women.
