

Oliver Hazard Perry Shipbuilding Syndicate

To build the largest active sail training tall ship in the US operated by a non-profit organization, TSRI seeks a limited number of OHP Shipbuilding Syndicate Members at four levels of participation between 2009 and 2011.

Full subscription in the *Oliver Hazard Perry* Shipbuilding Syndicate will secure \$2.1 million in philanthropic and in-kind support needed (combined with a \$1.5 million credit facility and a \$500,000 OHP Plank Owner Program) to complete construction and commission the most advanced sail training ship in the US for the benefit of our next generation of young people, mariners and marine tradesmen and women.
